

Demise Pouch or Blanket without Lace Trim

1 Cut out two 10" squares of flannel (1 square for blanket).
Cut out one 16" square of contrast flannel.

2 Fold one 10" square into a triangle and stitch 1/4" on long side. Place on top of the 2nd 10" square and treat as one piece.

3 Mark midpoints on all 4 sides of the 10" square and the 16" square. Mark 1/4" at each corner.

4 With right sides together pin the midpoints together. Pin at 1/4" corners of the 10" square. Sew 1/4" seam from corner to corner of the 10" square leaving a 2" opening near the middle so you can turn the piece to the right side.

5 Pin next side at the midpoints and corners. Sew seam. Repeat for remaining 2 sides.

6 Use a square ruler to mark the sewing line on the corner triangles. Sew seams and trim excess fabric.

7 Turn pouch to the right side. Press. Sew decorative stitch along seam line.

8 Continue to finish according to demise pouch directions.
